The Problem We Solve

For Small Shop Owners Today

X No Digital Menu

Customers ask for prices or squint at a wall board.

X Missed Orders

Busy hours mean forgotten or wrong orders.

X No Payment Trail

Cash-only means no record of transactions.

X No Order History

Owner cannot see what sells best or when.

With CounterTap

OK Digital Menu Instantly

Scan QR and see full menu with prices in seconds.

OK Zero Missed Orders

Every order goes directly to owner screen in real-time.

OK UPI Payment Built-in

Customers pay via any UPI app. Owner sets UPI ID once.

OK Order Analytics

Full history -- see what sells, when, and how much.

How It Works -- 3 Simple Steps

1

Owner sets up shop

2

Customer scans QR

3

Pay and Track

Add products, set UPI ID, generate QR in minutes. Opens the menu instantly. Adds items to cart. Pay via UPI app. Owner notified. Order tracked live.
